

List of articles indexed in the annual published index to the International Press Correspondence which pertain to conditions in the United States and to conditions in the Communist International that affect the Communist Party of the United States, directly or indirectly, and also of articles reporting the proceedings of various congresses and conventions in Russia in which matters affecting the United States, among others, were discussed.

As the International Press Correspondence Index does not contain the dates of the individual issues, the issue in question must be consulted in order to ascertain its date.
